

Drafting Business Agreements (LAWS 745) – Leventis

Textbook: Tina L. Stark & Monica L. Llorente, *Drafting Contracts: How and Why Lawyers Do What They Do* (3d ed. 2024).

As you decide which format of the textbook you prefer to use, please consider a few things about the textbook and how we will use it this semester. The textbook is a soft-cover book, about the size of a 1-inch, three-ring binder. Workbook-style exercises follow many of the chapters, and students will often work through exercises during class or as homework. Accordingly, many students find it helpful to consult the textbook during class, whether or not they write in it.

First Day Assignment: Please complete the following tasks in advance of our first class, which will meet on Thursday, August 21:

- 1) **Read Chapters 1-5, pages 3-38, in the textbook.**
- 2) Confirm that you are enrolled in the Blackboard course for your section, then find and complete the **Information Sheet** posted under Course Content. **Submit your responses in a Word document via Blackboard by 11:59 pm on Wednesday, August 20.**

I will post the Syllabus on Blackboard by Wednesday, August 20 and will hand it out in our first class. Please feel free to preview the Syllabus and to either bring any questions with you to class or send them to me at leventis@law.sc.edu.

I look forward to seeing you soon and to working together this semester.
